52-Week Savings Challenge

Free starter pages - US Letter - print at home

Save $1 in week 1, $2 in week 2, $3 in week 3 ... $52 in week 52.

By week 52 you have saved $1,378.

HOW IT WORKS

1. Print pages 2-3. Pin them where you will see them.
2. Each week, put the week's dollar amount aside (cash envelope, savings account, jar).
3. Tick the box, then write your running total.
4. Page 4 has your milestones. Check one off every 13 weeks.

MY REASON FOR SAVING

WHEN A WEEK GETS TOUGH

Missed a week? Do not restart. Add the amount to a later week, or save a little extra for a few weeks. A late deposit still counts.

Milestones and the reverse plan

Check these off as you go

STANDARD PLAN: START AT $1, END AT $52

- ☐ **Week 13** saved so far: $91 date: ____ / ____
- ☐ **Week 26** saved so far: $351 date: ____ / ____
- ☐ **Week 39** saved so far: $780 date: ____ / ____
- ☐ **Week 52** saved so far: $1,378 date: ____ / ____

REVERSE PLAN: START AT $52, END AT $1

- ☐ **Week 13** saved so far: $598
- ☐ **Week 26** saved so far: $1,027
- ☐ **Week 39** saved so far: $1,287
- ☐ **Week 52** saved so far: $1,378

Why try the reverse plan? The biggest deposits come first, while you are most motivated, and the plan gets lighter as the year goes on. Use the same pages: in week 1 save $52, in week 2 save $51, and so on.
